Challenge/CACIB

Only dogs from the Intermediate, Open and Champion Class can be considered for the CACIB.

All Class winners from Class **2, 3, 4, 5, 11 & 21** are eligible for the Dogs Australia Challenge & should enter the ring for Challenge line-up. The judge selects the Challenge Dog from these winners.

Should that dog come from the Intermediate, Open or Champion Class, it will automatically receive the CACIB, provided it has been graded EXC. If the Challenge is awarded to the Puppy, Junior or Veteran Class, then only the winners in the **Intermediate, Open & Champion Class** will compete for the CACIB provided they have been awarded an "Excellent".

A 'CACIB J' is awarded to class winners if they are over 15mths that have been graded 'EXC'

A 'CACIB V' is awarded to class winners that have been graded "EXC"

The second placed dog from the class of the Challenge winner enters the ring and the judge selects the Reserve Challenge winner. Should the Reserve Challenge winner be eligible for the CACIB as per above (re age) & the Challenge winner NOT be eligible for the CACIB, then it will be awarded the CACIB. Should neither Challenge or Reserve Challenge be eligible for the CACIB, and if any of the remaining class winners of Intermediate, Open & Champion classes have been graded EXC, those dogs remain in the ring for the judge to award the CACIB from these classes only.

This process is repeated for Bitches and then the BOB competition.
