Foundational Issues for Consideration	Yes	No
Do you support the use of artificial game in Retrieving Trials?		
Do you support the continued use of real game in Retrieving Trials?		
Do you support the use of both artificial and real game in Retrieving Trials?		

Additional Issues for Comment:

1. Types or artificial game to be used e.g. Simulated Game (e.g. Dokken Ducks) only or Simulated Game and Dummies?
2. How do we test for hardmouth?
3. Can we use artificial game in Wounded Game Retrieves?
4. Should there be separate titles for dogs who gain qualifications on artificial game e.g. NRD (AG) RRD (AG) RTCH (AG)?
5. Should artificial game only be restricted to use at certain levels e.g. not to be used in Championship Stakes?
6. Should Stakes be allowed to include a mix of artificial and real game?
7. How should the Rules address the 'usage and management' of real game?
8. Any other issue that you may consider relevant and wish to be considered???
